- **(Verbal)** Hey [Name], it's (your name,) How are you doing? Got a quick minute? *(Pause and wait for a yes)*...Awesome! I've got a good friend here with me, and he showed me something that honestly blew me away. It's a way to travel **more often, travel better**, and spend a **lot less** doing it. I'm talking **4- and 5-star resorts** at prices you'd normally pay for 2-star places, and **real savings**, like **30% to 70% off** hotels and resorts worldwide every time you travel. The deals are insane, I couldn't keep this to myself. Hey [Name], say hi to Darryl!
- **(Verbal)** Name, I just found a way to create a 6-figure passive residual income in the next 12–18 months, in the travel space. Does that sound like something you'd like to learn more about? *<Wait for answer, details aren't important if they have no interest. If yes, then paint a picture with our platinum membership.>* We're talking 30% to 70% off hotels & resorts plus 5-star resorts at below 2-star prices from Hawaii, to Vegas, Paris to Rome & Dubai to NY, all over the place. It's fun, it's real, it's sexy, and people are winning big. Can you hop on a private Zoom today or tomorrow? (I'm all in!) If they ask you questions say, "Honestly, I know enough to be excited—but not enough to explain it like the experts. That's exactly why I'm inviting you to the next Zoom..." Can I count on your listening in? I will provide a reminder 30 minutes beforehand.
- **(Text/Email/Verbal)** Hi **Name**, I just found a way to create a 6-figure passive income in the next 12–18 months, just by sharing a travel platform that gives anyone access to wholesale travel deals 24/7. We're talking 30% to 70% off hotels, plus 5-star resorts at below 2-star prices. It's fun, it's real, it's sexy, and people are winning big. I've been searching for a smarter way to stop trading time for money... and this is it. Can you hop on a private Zoom today or tomorrow? I'm all in. If they ask you questions say, "Honestly, I know enough to be excited—

but not enough to explain it like the experts. That's exactly why I'm inviting you to the next Zoom."

Can you jump on a quick Zoom with me, and I'll show you exactly how it works.
