**Option #1:** As an Enrolled Agent and wealth management professional, I'm constantly seeking avenues to assist my family, friends, and clients in saving more on taxes, earning additional income, and legitimately deducting every vacation. I'm thrilled to announce the upcoming launch of this service worldwide in May. However, I'm eager to share this opportunity with you first, so you can maximize its benefits.

To kick things off, I'm hosting a private Zoom session (invitation only) on [Date and Time]. The Zoom meeting ID is (Zoom ID). Please RSVP at your earliest convenience. This event will be incredibly exclusive, and I sincerely hope you'll join us. Your participation is invaluable.

**Option #2:** Hello name, with inflation at an all-time high, I started looking for a way to create extra income without giving strangers rides, delivering food or getting another low paying job. I found a way to turn my passion into profits. I found a 12-year-old travel company that saves everyone 30% to 70% on hotels and saves money when you book a car rental, cruise, or activities. Imagine taking a 4- or 5-Star vacation every 6 to 7 months for the rest of your life at a 2-star price and these vacations are incredible. You will travel more, better and for less. And because I rep this company, I can legally write off every trip I take. They are paying people, 4, 5, 6 and 7 figure incomes for just spreading the word. I'm eager to share the details with you. I'm hosting a private Zoom (invitation only) on [Date and Time]. The Zoom meeting ID is 884-2279-6143. Please RSVP at your earliest convenience. This event will be incredibly exclusive.

**Option #3:** Hey [Name], Hope you're doing well! So, with everything going on, I've been on the lookout for ways to bring in some extra cash without having to do the usual gig stuff like driving people around or delivering food. Guess what? I stumbled upon something pretty cool. There's this travel company that's been around for 12 years, and they're all about saving money on hotels, car rentals, cruises, you name it. Seriously, they're slashing prices by like 30% to 70%. Imagine this: taking luxurious vacations every 6 to 7 months, living the high life at a fraction of the cost. And these trips? They're top-notch. Here's the kicker: because I'm part of this company, I can write off all my travel expenses. How cool is that? And get this, they're paying out some serious dough to folks who help spread the word. We're talking 4, 5, 6, even 7 figure incomes. I'm really excited about this, and I'd love to fill you in. I'm hosting a private Zoom session (it's super exclusive!) on [Date and Time]. Here's the ID: 884-2279-6143. Let me know if you can make it. Trust me, it's gonna be worth it! Catch up soon, [Your Name]
