

5 steps you can do daily to create success with Travorium.

You must be consistent. Some of your prospects will say yes, some of your prospects will say no. Some will, some won't, so what NEXT. You are sharing information that will enhance the lives of everyone you know. If they don't understand that's their challenge and loss not yours.

The worst thing that will happen to you while going through this journey is you will take 3 to 4 incredible vacations every year, for the rest of your life, stay at top shelf hotels and resorts at prices that will put a smile on your face. (Read that sentence aloud again) These experiences will help you keep moving forward until you win financially and help many others experience that lifestyle.

Master the steps below and create your dream life:

Step 1: Time to create a brighter future! Spread the word to everyone you know, without hesitation! Do not prejudge anyone, you are not God. Text everyone this:

"Just stumbled upon an incredible travel hack that will save you a fortune! If you're planning to travel in the next 12 to 24 months, or want to travel, you have to see this."

OR TEXT:

"Literally discovered the most incredible way to save insane amounts on travel. Let me know if you are going to travel or want to travel in the next 12 to 24 months, you have to see this."

Step 2: For those who respond positively, reply with: *Fantastic! When can you commit 30 minutes to watch a game-changing recorded video that reveals it all? This needs your full attention for the full 30 minutes. I promise you will be glad you did.*

Step 3: Once they commit to a time, send this link, BetterTravelDeal.com along with this message:

Watch this video ASAP! Something big is happening in travel right now, and we're at the beginning. I've never been this excited about anything before. This put a smile on my face. Prepare to travel more, travel better, and spend less!

Once you review the video today, I will follow up with you and introduce you to the person that shared this with me. He has an amazing story you're going to want to hear.

Step 4: When it's follow-up time, I'll join you on a call. Your only job on the call is to be excited with lots of energy and introduce me.

“Prospect name, did you watch the video? If they say yes, you say, now you know why I’m excited and losing sleep. (Prospect name) This is (Darryl Roberts) He is my mentor and coach. He and his wife Maria were the ones who produced the video you watched. He is one of the top earners in the world. They live at resorts and visit home. Darryl has been with Travorium 7 years and can answer any question you may have. He’s been a tremendous help to me.”

Darryl, say hello to (prospect name). Now your job is complete, sit back, listen, and learn. Just be excited!

Step 5: Repeat steps 1-4, 25 to 50 times in your first 30 days. Continue to repeat steps 1-4 until you go through every contact you have in your phone and on social media. In 60 days or less, you’ll be earning more money than you’re spending, and you’ll be on your way to residual income.

You will achieve time and financial freedom within 36 to 60 months, if you are committed to success, follow the plan, plug into the schedule consistently and take action.

Make sure you visit the training site at LearnThisTraining.com several times a week. Watch the videos often, take notes and apply the knowledge you learn. This is Network marketing not Netflix marketing. What you don’t change you choose.
